ego/Desktop/python_work/Chapter 3/Module-3/3.3 My Own List.py"
When I was 17, I rode my Schwinn Supersport from Asheville, N.C. to St. Augustine Fla. and back.

Last year I restored my neighbor's 1968 Schwinn Continental. It's a cool bike but much heavier than the Supersport.

My favorite Christmas present ever was a black Stingray, complete with a silver metal-flake banana seat and chopper han
dlebars!
